Hundreds of Montgomery City Readers Know What It Means.

The kidneys are overtaxed; Have too much to do. They tell about it in many aches and pains—Backache, sideache, headache. Early symptoms of kidney ills. Urinary troubles, diabetes, Bright's disease follow.

A Montgomery City citizen tells here the way to keep the kidneys well.

D. W. Spencer, jeweler, Montgomery City, Mo., says: "I have never used Doan's Kidney Pills myself, but several of my friends have been greatly benefited by them. I know of one case in which Doan's Kidney Pills, procured at Crump & Kidwell's Drug Store, removed a lameness in the small of the back and across the kidneys, after it was thought that no relief was possible. The party referred to has had no symptom of the trouble for over two years. Doan's Kidney Pills have my highest endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

TO CHAUTAUQUA PATRONS.

There are about 800 tickets subscribed for the Chautauqua season, Aug. 20 to 26, and there are about 120 cards still out, the holders of which are requested to send them in as soon as possible to either of the drug stores in Montgomery.

Montgomery City is only allotted 1,000 tickets at the \$1.50 rate, and no tickets will be sold for less than \$2 after the 1,000 are exhausted. The undersigned committee, who have guaranteed the sale of the tickets awarded to this city, are desirous that all outstanding cards be turned in immediately, so that they may know how many season tickets they will have at their disposal.

The Chautauqua this year has a program that surpasses all previous efforts, and season tickets at the \$1.50 rate will be at a premium the last few weeks before the 20th of August. So, if you are uncertain as to whether or not you have subscribed, you should see the committee at once.

Has Jim Reed Got 'em

According to the big newspapers "Jim Reed has captured the Folk senatorial vote." But, if we remember right the Folk vote two years ago was largely "Republican and assistant Republican" if the old-guard Democratic newspapers is to be taken, and what in the world would Jim Reed do with votes of that class.—Greenfield Vedette.

Union Services.

Union services of all the protestant churches of the city was held at the Methodist Church Sunday night in the interest of State-wide Prohibition.

The church was filled almost to its capacity, and for two hours, the speaker of the evening, Rev. W. B. Palmore D. D., editor of the St. Louis Christian Advocate, held the undivided attention of his audience as he told of the ravages and curse of the liquor traffic.

Dr. Palmore is a man of wide experience, having crossed the Atlantic Ocean fourteen times, visiting every country in the world and many islands of the seas. Many of the incidents which he related as touching the cause of rum, came under his own observation and experience.

Among other things the speaker stated that while he was Chaplain of the State Penitentiary, that of the 2000 convicts, 1500 of them attributed their downfall to intoxicants.

We are sure the efforts will bear fruit for the cause of temperance.

We have answered this cry in our new book "Fighting the traffic in Young Girls" by Earnest A. Bell, U. S. District Attorney Sims and others. The most sensational indictment of the White Slave Trade ever published. It tells how thousands of young girls are lured from their homes annually and sold into a life of shame. The Cincinnati Inquirer says "Of all the books of the season the War on the White Slave Trade is the most helpful; it should be read by every man, woman and child."
